RGP Database Event/Award	Years Recorded																																		
The RGP Database is a Quarter Horse Database (default is to QH) with other breeds recognized as they relate to Quarter Horses. The RGP Database does not include AQHA point-earners. It is designed to be used in conjunction with breed association records to produce catalog-style pedigrees and other promotional text.	2007	2006	2005	2004	2003	2002	2001	2000	1999	1998	1997	1996	1995	1994	1993	1992	1991	1990	1989	1988	1987	1986	1985	1984	1983	1982	1981	1980	1979	1978	1977	1976	1975	1974
